“RebelfyWorld Launches Shopify Store To Expand Original Art Print Collections”

PR Newswire
Feb. 07, 2025, 09:00 PST

Los Angeles, CA — Rebelfy, the creative force known for its hand-painted, storytelling-driven artwork, is taking its next bold step by launching a dedicated Shopify store, making its unique fusion of art, fashion, and rebellion available worldwide.

With Shopify’s powerful e-commerce platform, Rebelfy is delivering a seamless shopping experience, allowing customers to explore, purchase, and engage with the brand like never before.

Art Without Limits: Rebelfy’s Evolution in E-Commerce

Founded by David Cook, Rebelfy has always pushed the boundaries of creativity, blending cyberpunk aesthetics, underground grit, and counterculture influences into every piece. The

transition to Shopify represents a new era, where art extends beyond the canvas and into a global marketplace.

"Rebelfy isn't just about creating art—it's about building a movement. Shopify gives us the tools to bring our work directly to the people who connect with it the most, no barriers, no limits." – David Cook, Founder of Rebelfy

What to Expect from the Rebelfy Shopify Store

Rebelfy’s Shopify-powered storefront offers:

Exclusive Product Drops – Limited-edition collections available only online

Seamless Checkout – Secure transactions, multiple payment options, and a smooth user experience

Global Shipping – Art, fashion, and accessories delivered worldwide

Behind-the-Scenes Content – Access to exclusive releases, artist insights, and more

24/7 Ordering - Open All Day And Night

Rebelfy’s Shopify store isn’t just about selling products—it’s about creating a space where art, rebellion, and individuality thrive. Customers can explore hand-painted collections, from statement-making streetwear to immersive lifestyle pieces, all designed to inspire fearless self-expression.
